**24-Hour Road Maintenance: (614) 525-3072**

## Project Area Map

No detours are required of traffic during construction. Traffic will be maintained with intermittent daytime lane closures. Please note the posted speed limits in the construction zone will be enforced by Hilliard Police. Please slow down and watch for road workers.

## Dear Neighbor,

A road improvement project on Dublin Road at Fishinger Road is set to begin on March 26 and will last through the beginning of August, weather permitting. This improvement project includes the addition of turn lanes at Dublin Road/Fishinger Road intersection, pedestrian crosswalks, and a new traffic signal.

Preparation for construction will begin as early as March 26 with tree removal. Roadway construction will begin the week of April 6, weather permitting. The project is divided into phases to allow both Dublin Road and Fishinger Road to remain open to traffic; however, there will be intermittent daytime lane closures. The first phase includes widening of the east side of Dublin Road south of Fishinger Road and the south side of Fishinger Road east of Dublin Road.

The Franklin County Engineer's Office will supervise this \$1 million project. Work will be performed by Strawser Paving, Inc. Funding is provided from the Ohio Public Works Commission and Franklin County License Plate Fees.

Thank you for your patience and understanding of our efforts to improve Dublin Road at Fishinger Road.

For updates or additional information, please call our office at (614) 525-3030 or visit our website at: [www.franklincountyengineer.org](http://www.franklincountyengineer.org) and follow us on facebook and twitter.

Sincerely,

**Dean C. Ringle, P.E., P.S.**
