Processing Fee

\$ 20.00 Processing for initial entry into permitting system

Inspection Fees

\$ 40.00 Per hour for each employee involved with the inspection

Vehicles and equipment utilized for the inspection will be billed at the standard hourly rate established by the Franklin County Engineer.

Superload Structure Crossing Fee

Due to the negative impact as a result of a superload crossing a structure, the Franklin County Engineer's office has imposed an additional fee for crossing any structure that may be programmed for future replacement.

Structures that require Superload Structure Crossing Fee:

1. FRA-C0122-0186L (2530333) over Big Walnut Creek north of Bixby road
2. FRA-C0122-0186R (2530325) over Big Walnut Creek north of Bixby road
3. FRA-C0007-0480 (2530740) over Big Walnut Creek east of Alum Creek Dr.

2. INSPECTION FEES

- a. The permit holder will be responsible for all inspection fees charged for the movement of a load.
- b. An inspection fee will be charged when an inspector is required to perform inspection at a time other than normal working hours.
- c. Normal working hours are 7:30 A.M. to 4:00 P.M., Monday through Friday.
- d. If in the event an inspector is needed and the hauler does not arrive or commence the move at the designated time, a minimum 2 hour charge will be assessed.
- e. There will be a two hour minimum charge, in addition to the cost of the permit anytime an inspector is required.

f. Failure to pay invoices billed for inspections within (30) days after receipt of invoice may result in the withholding of issuance of any future special hauling permits until the invoices have been paid.
