AN ORDINANCE NO. 173-37—Authorizing an agreement with the National Water Main Cleaning company.

Whereas, the north side and the extreme east side of the city are now supplied with water from a 36-inch main extending from the pumping station to Fifth and Forsythe avenues, and

Whereas, it is necessary in connection with the Fifth avenue grade crossing work to put this line out of service during the time it is lowered to its new position for a distance of about 700 feet, and

Whereas, an existing 24-inch main in Dennison avenue will have to be depended upon to supply this district during this shut-down period, and

Whereas, the said 24-inch main in Dennison avenue is in need of cleaning, and that the cleaning of this main would increase the pressure by about 15 pounds and the carrying capacity by about 25%, and

Whereas, it is necessary that this work be done, at once, and that the cleaning of this main is therefore necessary for the immediate preservation of the public health and safety; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the director of public service be and he is hereby authorized to enter into an agreement with the National Water Main Cleaning company of New York for the cleaning of

approximately 9500 feet of 24-inch water main in Dennison avenue and Dublin road at a price of twenty cents per linear foot.

Sec. 2. That the contractor shall furnish the necessary superintendents and pipe cleaning machinery for carrying on the work and that the city shall furnish the labor and materials needed for the opening up of the mains at the two extreme ends of the section or sections to be cleaned.

Sec. 3. That the sum of \$1900, or as much thereof as may be needed, be and the same is hereby appropriated from code 211 of fund No. 90, division of water, for the cleaning of 24-inch water main in Dennison avenue and Dublin road.

Sec. 4. That this ordinance, for the reasons stated in the preamble hereto, is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed April 5, 1937.

AN ORDINANCE NO. 174-37—To appropriate an additional \$5,000 to contract No. 2, Main street bridge over the Scioto river from P. W. A. docket 8089.

Whereas, bids for the construction of Main street bridge over Scioto river, contract No. 2, P. W. A. docket 8089, were received on April 1, 1937, and

Whereas, all of the bids received are in excess of the amount appropriated to pay the cost of said contract, and

Whereas, an emergency exists in that additional funds are needed at once so that contract may be entered into; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the additional sum of \$5,000, or so much thereof as may be needed, be and it is hereby appropriated to Main street bridge over Scioto river, paving of approaches, contract No. 2, from the Main street bridge over Scioto river fund, P. W. A. docket 8089.

Sec. 2. That for the reasons stated in the preamble hereto, which are hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed April 5, 1937.

***AN ORDINANCE NO. 175-37**—To dedicate a strip of land therein described off the west end of Linden park for widening Hamilton avenue.

Whereas, Hamilton avenue, from Loretta avenue to the north line of Linden park, as dedicated by ordinance No. 105-37, is uniformly 50 feet in width with the exception of that portion abutting the west side of Linden park, the width thereof varying from 50 feet at the south side of said park to 30 feet at the north line thereof, and

Whereas, it is necessary to establish a uniform width of 50 feet for Hamilton avenue by dedicating a certain strip hereinafter described off the west end of Linden park for street purposes; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the following described portion of Linden Park be and the same is hereby dedicated to public use for the widening of Hamilton avenue.

Beginning at the intersection of the north line of Briarwood avenue with the east line of Hamilton avenue as dedicated by ordinance No. 105-37, said point of intersection being also the southwest corner of Linden park; thence northwardly with the west line of Linden park and the east line of Hamilton avenue so dedicated, a distance of 630.67 feet, more or less, to the northwest corner of said Linden park; thence eastwardly with the north line of said Linden park a distance of 20 feet to a point in said north line; thence southwardly on a straight line parallel to the west line

of Hamilton avenue so dedicated by said ordinance No. 105-37, a distance of 630.43 feet, more or less, to the place of beginning.

Sec. 2. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

AN ORDINANCE NO. 176-37—To authorize Comcetta Tall to cause the construction of a well on the south side of Poplar avenue at a point approximately 75 feet west of the west line of High street.

Whereas, Comcetta Tall is the owner of the property known as 587, 589, 591 and 593 North High street, and

Whereas, said owner is desirous of causing a well to be drilled in the sidewalk space at the side of her building for supplying water to said premises, in accordance with regulations stipulated in ordinance No. 225-35 regulating the disposal of well water; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the right and privilege is hereby granted to Comcetta Tall, her successors and assigns, to cause the construction and maintenance of a drilled well in the south side of Poplar avenue, the same to be located approximately 3 feet from the north property line and 75 feet west of the west line of High street and to connect the same to her building; said well and casings and connections therefor to be located wholly below the grade of said street and to be so placed and constructed so as not to interfere with or injure in any way sewers, water pipes or other structures maintained by the city or any conduits or other underground structures maintained in said street by any public utility; said well and connections to be constructed under the direction of the director of public service and all street paving or sidewalks which may be disturbed thereby to be replaced in good condition to the satisfaction of said director of public service.

Sec. 2. Said well and connections shall be drilled and be maintained subject to the further condition that said grantee shall keep and save harmless the city of Columbus from any and all damages which may arise or grow out of the use and maintenance of said well and connections, and shall defend, at its own cost and expense, every suit which may be brought or prosecuted against the city of Columbus for the recovery of any damages arising from such use and maintenance; that said grantee, upon notice from the city of Columbus, shall forthwith remove said well and connections and restore said street and sidewalk to their original condition without cost to said city; provided further that said grant is made with the understanding that the occupancy of said street and sidewalk, by said well and connections, is permitted merely as an accommodation and that no right, title or interest of the public is abridged thereby; and provided further that the grantee shall pay the cost of the publication of this ordinance.

Sec. 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law, upon said grantee filing with the clerk of said council its acceptance, in writing, of each and all of the terms, provisions and requirements of this ordinance; provided, however, that if said grantee shall fail to file said written acceptance thereof within thirty days after the passage thereof and pay the cost of the publication of this ordinance, then this ordinance shall be of no force and effect.
