

ORD. No. 237-72—To grant Clow Corporation, Coshocton, Ohio, the right and privilege to construct a vault and piping to use as a test site within the right-of-way limits of Service Road "A" on the west side of Brice Road, south of Interstate 71, subject to acceptance of terms and conditions stipulated herein.

Whereas, Clow Corporation plans the construction of a vault and piping to use as a test site within the public right-of-way, and

Whereas, such plans have been reviewed by the Division of Engineering and Construction and Water and will not be detrimental to the interests of the general public; now, therefore,

Be it ordained by the Council of the City of Columbus:

Section 1. That the right and privilege is hereby granted to Clow Corporation, Coshocton, Ohio, its successors and assigns, to construct and to maintain a vault and piping for use as a test site, on a rectangular tract of ground located in the State of Ohio, County of Franklin, City of Columbus (formerly Truro Township), said tract being located entirely within the right-of-way of Service Road "A" as same is shown on Sheet 19 of the right-of-way plans for FRA 70-21.29, and described more fully as follows:

Beginning at the point of intersection of the centerline of Brice Road with the centerline of Tussing Road, thence N 4° 21' 30" E, 607.20 feet with the centerline of Brice Road to the point of intersection with the centerline of said Service Road "A"; thence N 85° 38' 30" W, 137.00 feet with the centerline of Service Road "A" to an intersection point; thence N 4° 21' 30" E, with the centerline of said Service Road "A", 120.75 feet to a point; thence N 85° 38' 30" W, 18.00 feet to the true point of beginning, said true point of beginning being on the centerline of a 12-inch water line and at water line station 96 + 42.33, as said water line is shown on plans of the City of Columbus, Division of Water, marked Contract 431; thence from the true point of beginning N 85° 38' 30" W, 17.67 feet to a point; thence N 4° 21' 30" E, 27.33 feet to a point; thence S 85° 38' 30" E, 17.67 feet to a point, said point being on said 12-inch water line and at water line station 96 + 69.66; thence S 4° 21' 30" W, with the centerline of said 12-inch water line 27.33 feet to a point, said point being the aforesaid mentioned true point of beginning, containing 482.921 square feet, in accordance with Plan 801, Drawer B, and specifications therefor, on file in the Office of the City Engineer, Division of Engineering and Construction, which are hereby approved.

Section 2. That all portions of the pavement, including sidewalks, curbing and subdrains, and any public or private utilities, which may be removed, damaged or disturbed by the construction of the vault and piping, or by the operations of said corporation, its agents or contractors, shall be replaced at the entire expense of the company, its successors and assigns, according to plans and specifications approved by the Director of Public Service.

Section 3. That Clow Corporation, its successors and assigns, upon passage of this ordinance, shall obtain a street opening permit prior to construction of the vault; shall save the City harmless from any and all damages which may arise from or grow out of the construction, use or maintenance of said vault; that said corporation, its successors and assigns, upon notice from the City of Columbus, shall forthwith remove said vault and piping and shall restore all pavement and sidewalks affected by such removal to the original conditions thereof, without cost to said City; and shall yield to said City all rights to occupy the space used for said vault and piping, whenever said City shall determine the same to be necessary; that said City reserves the right to enter at any time upon the premises of the corporation, its successors and assigns, and into the vault for the purpose of inspecting the condition and maintenance thereof; and that the occupation of the space by said vault and piping is hereby permitted merely as an accommodation to said corporation, and that no right, title or interests of the public is waived or abridged in any way thereby, and that said company shall pay the cost of publication of this ordinance.

Section 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law and upon the filing by said corporation with the Clerk of Council, its acceptance, in writing, of each and all of the terms, provi-

sions and requirements of this ordinance, provided, however, that if said corporation shall fail to file such written acceptance and shall fail to pay the cost of publication of this ordinance within thirty (30) days after the passage hereof, then the same shall be void and of no force and effect.

Passed March 6, 1972.

DONALD L. WOODLAND, President of Council, Pro Tem.

Approved March 6, 1972. M. D. PORTMAN, Acting Mayor.

Attest: HELEN M. VAN HEYDE, City Clerk.
