

water used to determine the sewer charge shall be that percentage so determined, of the quantity of water measured by the water meter or meters, or the director of public service may require or permit the installation of additional meters in such a manner as to determine the quantity of water actually entering the sewerage system, in which case the quantity of water used to determine the sewer charge shall be the quantity of water actually entering the sewerage system as so determined.

(h). In the event a building or premises discharging sanitary sewage, water or other liquids into the city's sewerage system, either directly or indirectly, uses less than 5000 cubic feet of water per half year, or a period of time equaling a half year, and is used primarily for residential purposes and has a lawn or garden which is sprinkled with metered water, then the quantity of water used to determine the sewer charge shall be ninety per cent of the quantity of water measured by the meters or meters.

(i). The sewer charge provided in this ordinance shall be payable semi-annually at the office of the city treasurer and, at the option of the director of public service may be made payable at the same time as the water bill for the lot, parcel of land, building or premises is payable.

Sec. 3. That the director of public service shall and he is hereby authorized to enter into agreements with the county of Franklin, state of Ohio, and with cities and villages and with corporations and individuals whose premises are located without the corporate limits of the city of Columbus, who desire to discharge sewage, industrial wastes, water or other liquids into the city's sewerage system; which agreements shall fix the terms and conditions under which said sewage, industrial wastes, water or other liquids may be discharged into said sewerage system and shall be in conformity with the other sections of this ordinance, provided, however, that such agreements with Bexley, Ohio, Grandview Heights, Ohio, Worthington, Ohio, and Marble Cliff, Ohio, shall be effective as of January 1, 1941, and that such agreements with Upper Arlington, Ohio, and all other consumers outside the city of Columbus, Ohio, shall be effective as of August 22, 1940 and provided further, that all agreements herein authorized shall be for periods of not more than two years from the effective dates of such agreements.

Sec. 2. That sections 3 and 8, of ordinance 294-40, passed July 23, 1940, be and they are hereby repealed.

Sec. 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed May 19, 1941.

JOSEPH R. JONES,

President pro tem. of Council.

Returned by the Mayor without action May 19, 1941.

AN ORDINANCE NO. 326-41—Determining to proceed with the improvement of Fourth street from Chittenden avenue to the alley north of Wyandotte avenue in the city of Columbus, Ohio.

Be it ordained by the council of the city of Columbus:

Section 1. That it is hereby determined to proceed with the improvement of Fourth street from Chittenden avenue to the alley north of Wyandotte avenue by widening the roadway ten feet on each side by relocating the curb stone; paving the widened portion with brick and asphaltic concrete; resurfacing the present roadway with asphaltic concrete; redressing and resetting the curb stone; relocating fire hydrants, utility poles, rebuilding catch basins, and doing any other work necessary to complete the improvement in the city of Columbus, Ohio, in accordance with the resolution declaring it necessary to improve the same, adopted by council December 16, 1940; and in accordance

with the plans, profiles, specifications and estimate of cost therefore approved and now on file in the office of the department of public service.

Sec. 2. That all claims for damages resulting therefrom shall be judicially inquired into after completion of the proposed improvement, and the city attorney be and he is hereby authorized and directed to institute proceedings in a court of competent jurisdiction to inquire into such claims.

Sec. 3. That a portion of the cost thereof, in the amount of \$2.00 per foot of abutting property, together with interest on notes issued in anticipation of the issuance of bonds and on bonds issued in anticipation of the collection of special assessments to levied for said improvement, shall be assessed in proportion to the special benefits which may result from the improvement, upon the following described lots and lands, to-wit: all lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by said improvement and in an amount to be determined, such assessment being less than the requirements under section 3822 of the general code of Ohio. The balance of the cost of such improvement shall be borne jointly by the city of Columbus, Ohio and the works projects administration.

Sec. 4. That the city's portion of the cost thereof shall be paid through materials and equipment furnished and through services and labor performed, the costs of which are properly chargeable to the maintenance and repair No. 65 fund.

Sec. 5. That the assessments so to be levied shall be paid in ten annual installments with interest on deferred payments at a rate not exceeding six per cent per annum; provided that the owner of any property assessed may, at his option, pay such assessment or any number of installments thereof, at any time after said assessment has been levied, with interest to the semi-annual interest day of said bonds next following date of payment.

Sec. 6. That bonds of the city of Columbus, Ohio shall be issued in anticipation of the collection of assessments by installments, and in an amount equal thereto.

Sec. 7. That the director of public service be and he is hereby authorized and directed to advertise for bids and to enter into contract for the resurfacing of the present roadway in the manner provided by law.

Sec. 8. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed May 19, 1941.

JOSEPH R. JONES,

President pro tem. of Council.

Approved May 19, 1941.

FLOYD F. GREEN, Mayor.

chapter XIV, subdivision 4, boats—of the Columbus Code of 1930 and to repeal said original sections 824, 825, 826 and 828.

Whereas, an emergency exists in the usual daily operation of the department of public service, in that it is necessary to make certain changes in the regulations for the operation of boats on the Scioto river at Griggs and O'Shaughnessy reservoirs before the opening of the boating season for the preservation of public property, health and safety; now, therefore

Be it ordained by the council of the city of Columbus:

Section 1. That sections 824, 825 and 826 of chapter XIV, subdivision 4, boats—of the Columbus Code of 1930, be and the same are hereby amended to read as follows:

Sec. 824. LICENSE REQUIRED. No boat shall be placed or permitted to operate in or on the waters of the O'Shaughnessy and Griggs reservoirs until it has been duly licensed for such purpose, and until there has been attached a metal license plate in a conspicuous place inside the boat, and until such boat shall be given a number, which number shall be applied on each side of the bow of the boat in figures not less than four inches in height, three-fourths of an inch wide and no two figures to be less than two inches apart. Application for a boat license shall be made to the director of public service on forms to be prepared and kept on file in the office of the director of public service, which application shall state on its face whether the same is for the Griggs reservoir or O'Shaughnessy reservoir. Upon approval by the director of public service, the same shall be filed with the city auditor, who shall, upon payment of the proper fee, issue a metal license tag upon which shall be stamped the year of issue and the number of said tag. The city auditor shall also designate a boat number for each boat so licensed. The director of public service shall not be required to approve any application for license from persons not of good moral character, and said director may require references as to the moral character of any applicant, and in said application each applicant shall agree to abide by all of the rules and regulations relative to boating on said reservoirs.

Sec. 825. SPEED and LIGHTS. No boat shall operate after sunset or before sunrise without the proper lights, subject to the rules and regulations set forth by the director of public service. No boat shall be operated at a speed greater than four miles per hour, seventy-five feet from the mean water mark.

Sec. 826. BOAT INSPECTOR. That the director of public service shall appoint a boat inspector who shall inspect and pass on all motor propelled boats relative to their speed and safety.

Sec. 2. That original sections 824, 825, 826 and 828 of chapter XIV, subdivision 4, boats—of the Columbus Code of 1930, be and the same are hereby repealed.

Sec. 3. That for the reason stated in the preamble hereto, which is hereby made a part hereof, this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed May 19, 1941.
