RESOLUTION REFERRED

By Mr. Dailey, that it is the sense of this council that the salaries and wages of all officers and employees be restored to the salary and wage schedule in force in 1931. Finance.

ORDINANCES

AN ORDINANCE NO. 39-39—To change the name of Ingham avenue, between Wetmore road and Dominion boulevard.

Whereas, Ingham avenue, between Wetmore road and Dominion boulevard, is a direct continuation of Sharon avenue; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the name of Ingham avenue, between Wetmore road and Dominion boulevard, be and it is hereby changed to Sharon avenue.

Sec. 2. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed February 20, 1939.

WYATT L. MILLIKIN.
President of Council.

Approved February 20, 1939.

MYRON B. GESSAMAN, Mayor.

Attest: HELEN T. HOWARD, City Clerk.

AN ORDINANCE NO. 53-39—To narrow Riverside drive between Town street and Rich street by vacating a portion therein described, and to repeal ordinance No. 473-36, passed November 30, 1936.

Whereas, a petition, signed by all of the owners and lessees of the lots and lands abutting upon the east side of Riverside drive from Town street to Rich street, was duly presented to the city council on February 15, 1939, praying and consenting that said Riverside drive between Town street and Rich street be narrowed to an approximate width of 85 feet by vacating a portion therein and hereinafter described off the east side thereof, and

Whereas, the owner and lessee of the lots and lands abutting upon the east side of said Riverside drive between Town street and the alley north of Rich street have agreed, in the event of such vacation, to pay the entire cost of the relocation, by the city of Columbus, of any and all water mains which may be located within the boundaries of that portion of said Riverside drive so to be vacated, and to pay also the entire cost of remodeling a certain underground structure appurtenant to the sewerage system and known as a regulator chamber located immediately south of Town street in said Riverside drive, said remodeling to be necessary in the event of such vacation and to consist in the removal of and the reconstruction by the city of all such parts of said regulator chamber which may be located within the boundaries of that portion of said Riverside drive so to be vacated, and

Whereas, council upon hearing is satisfied that there is good cause for such vacation as prayed for in said petition, that it will not be detrimental to the general interests and ought to be made; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That Riverside drive between Town street and Rich street be and it is hereby narrowed to an approximate width of 85 feet by vacating the following described portion off the east side thereof:

Beginning at the intersection of the south line of Town street with the east line of Riverside drive; thence westwardly with the said south line of Town street extended a distance of 11.58 feet to a point; thence southwardly on a straight line a distance of 62 feet to a point of curvature, said point being located at a distance of 9.24 feet measured westwardly from and at right angles to the said east line of Riverside drive, and being located also at a distance of 85 feet, more or less, measured eastwardly from the east face of the retaining wall constructed on the east bank of the Scioto river; thence southwardly on a line curved to the west with a radius of 1132 feet and a central angle of 2°-11′, a distance of 43.12 feet to a point of compound curvature, said point being located at a distance of 9.44 feet measured westwardly from and at right angles to the said east line of Riverside drive, and being also at a distance of 85 feet, more or less, measured eastwardly from the said east face of retaining wall; thence southwardly on a line curved to the west with a radius of 2717.25 feet and a central angle of 6°-15′, a distance of 296.39 feet to a point of tangency, said point being located at a distance of 85 feet, more or less, measured eastwardly from the said east face of retaining wall, the intersection of the tangent lines to said curve being located at a distance of 12.94 feet measured westwardly from and at right angles to the said east line of Riverside drive; thence southwardly on a
