RESOLUTIONS

Whereas, under date of September 9, 1927, the department of health of the state of Ohio issued an order to the mayor and the council of the city

of Columbus to install such works or means as may be necessary for collecting and disposing of the sewage of the city of Columbus in a manner to correct and prevent the pollution of the Scioto river and Alum creek, caused by such sewage, and set the date of September 9, 1929, as the date for completion of said work, and

Whereas, on the 11th day of October, 1929 the state department of health extended the time for such completion to September 9, 1931, and did on the 9th day of October, 1931 further extend the time for the completion of such work to September, 1932, and

Whereas, in compliance with said order of September 9, 1927, the city of Columbus created, in the division of engineering and construction, an organization to make studies looking toward the compliances of said order and has constructed or has under construction intercepting sewers and preliminary treatment works at an expenditure of about \$4,000,000, all of which has been approved by the said department of health, and

Whereas, to further comply with said order of the department of health it is necessary to provide funds in the amount of \$3,500,000 to construct sewage treatment works and outfall sewers, together with a sewage pumping station and other appurtenances and equipment necessary for said works; now, therefore,

Be it resolved by the council of the city of Columbus, Ohio:

That it is necessary to issue and sell bonds for the purpose of raising funds to pay the cost and expense of constructing sewage treatment works and outfall sewers, together with a pumping station and other appurtenances and equipment necessary in connection therewith, and the acquisition of land and rights-of-way therefor, in the sum of \$3,500,000, and further declaring it necessary to levy a tax outside the fifteen mill limitation prescribed by law, to pay the interest on and to retire said bonds at maturity. The approximate date of such bonds shall be July 1, 1933 and the interest rate thereof five per cent per annum; they shall be issued serially and shall mature in 25 equal annual installments of \$140,000 each for a period of 25 years beginning on the approximate date of July 1, 1935.

Be it further resolved that the question of issuing and selling said bonds of said city for said purposes in the sum of \$3,500,000 and the levying of a tax outside the fifteen mill limitation prescribed by law to pay the interest on and retire said bonds, be submitted to a vote of the qualified electors of said city at an election to be held in said city on the 8th day of November, 1932.

That in pursuance of section 2293-19 of the general code of Ohio, the clerk of this council be and he is hereby directed to certify a copy of this resolution to the county auditor of Franklin county, Ohio, at least sixty days prior to said November election and that the county auditor be requested to calculate the average annual levy throughout the life of the bonds which will be required to pay the interest on and to retire such bonds, and that said county auditor be further requested, pursuant to the provisions of said section to certify the amount of such average to this council not less than fifty days prior to said November election.

Adopted August 1, 1932.
 JOHN M. LEWIS,
 President of Council.
