

Whereas, an emergency exists in the usual daily operation of the division of water, department of public service, in that it is immediately necessary to acquire said license for boring without delay for the preservation of the public property, health and safety; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the city attorney be and he is hereby authorized and directed to acquire license for boring rights from Esther S. Peyton for the purpose of ascertaining the soil and rock condition under the surface of her land in the preparation of the engineering plan and data for the proposed bridge incident to the Hoover Dam and Reservoir project of approximately twelve holes for the sum of one hundred dollars.

Sec. 2. That the city and the contractor (who is obligated under his contract with the city so to do) shall upon the completion of the work remove all temporary structures and equipment placed upon said land and shall restore the same, including fences, buildings and other improvements to their original condition; shall also pay any damage to crops and any damage to land, including fences, buildings and other improvements, caused by said city, or by said contractor, and not completely corrected by being restored to their original condition.

Sec. 3. That for the purpose of paying said consideration for said license there be, and the same is hereby, appropriated from waterworks enlargement fund No. 14 the sum of one hundred dollars to be paid to Esther S. Peyton.

Sec. 4. That the city auditor be, and he is hereby, authorized and directed to draw his warrant upon the city treasurer in the sum of one hundred dollars in payment of said consideration to said Esther S. Peyton, upon receipt of voucher approved by the Director of Public Service.

Sec. 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed January 19, 1953.

AN ORDINANCE No. 41-53—To authorize the Director of Public Service to advertise for bids and to award a contract for painting a four million gallon stand pipe on Karl Road, Division of Water, Department of Public Service, and to appropriate the money therefor.

Whereas, the new four million gallon stand pipe is now being erected on Karl Road and should be ready for painting by March 1, 1953, and

Whereas, it is necessary that this work be completed as soon as possible to provide additional storage capacity for the section of the city served by the Ackerman Road and Chittenden Avenue Booster Stations, and

Whereas, an emergency exists in the usual daily operation of the Division of Water, Department of Public Service, and that it is immediately necessary to place this tank in service as soon as possible to insure adequate water supply and pressure for the north section of the city, to insure the health and safety of the inhabitants thereof.

Now, therefore, be it ordained by the council of the city of Columbus:

Section 1. That the Director of Public Service be and he is hereby authorized to advertise for bids and to enter into a contract upon the basis of the lowest and best bid received for the painting of the new four million gallon stand pipe on Karl Road, in accordance with plans and specifications on file in the office of the Director of Public Service.

Sec. 2. That the sum of \$15,000, or as much thereof as may be needed, be, and the same is hereby appropriated from Water Works Enlargement Fund

No. 12, to pay the cost and expense thereof.

Sec. 3. That for the reason stated in the preamble hereto, which is made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its approval and passage by the mayor.

AN ORDINANCE No. 42-53—To ratify and confirm action of the Superintendent of the Division of Water and the Director of Public Service in authorizing an agreement with the contracting firm of Thompson-Conie Company for material furnished and work performed for the Division of Water, Department of Public Service, at Griggs Dam and to appropriate the money to pay the cost thereof.

Whereas, the Department of Sanitary Engineering, Franklin County, installed through the Thompson-Conie Company the water main in Riverside Drive, which main passed the city property in the Griggs Dam area, and

Whereas, it was deemed advisable to supply city water to the city property in this area because of the fact that many of the wells had been found to be contaminated, and

Whereas, such water service required the installation of a six inch water line across Riverside Drive, and the contractor installing the line for the county was better equipped and able to do the work more economically than the Division of Water could do it, and

Whereas, the contracting firm of Thompson-Conie Company agreed to do the work more reasonably than any other firm because of the fact that their equipment was on the job, and

Whereas, upon completing the work of installing the six inch water line across Riverside Drive it was found that the total cost was \$658.32, and

Whereas, it is the sense of the Council of the City of Columbus that said agreement between the City of Columbus and the contracting firm of Thompson-Conie Company be ratified and confirmed, now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the action of the Superintendent of the Division of Water and the Director of Public Service in authorizing an agreement with the contracting firm of Thompson-Conie Company covering material furnished and labor performed in installing the six inch water line across Riverside Drive, all of which material and labor have been completed to the satisfaction of the Superintendent of the Division of Water, Department of Public Service, be and the same is hereby ratified and confirmed and the claim of the contracting firm of Thompson-Conie Company in the sum of Six Hundred Fifty-eight Dollars and Thirty-two Cents, be and the same is hereby recognized as a legal and valid claim against the city of Columbus.

Sec. 2. That the sum of six hundred fifty-eight dollars and thirty-two cents be, and the same is hereby appropriated from code 602, Water Works Fund No. 90, to pay the claim as set forth in section 1 above, which shall be paid upon voucher approved by the director of public service.

Sec. 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Whereas, the board of trustees of Franklin county Veterans Memorial are

presently advertising for bids for the construction of a memorial building on its property adjacent to the west bank of the Scioto river and extending northwardly from Broad street, and

Whereas, said board of trustees has filed a petition for the vacation of the streets and alleys within said area, and

Whereas, council, upon hearing, is satisfied there is good cause for such vacations as prayed for in said petition and that such vacations will not be detrimental to the general interests and ought to be made, now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That Morgan street from the north line of Broad street to the south line of Broderick street; Belle street and Mitchell street from the north line of Broad street to the south line of Gay street; Broderick street from a line 25.0 feet west of and parallel to the back of the retaining wall on the west bank of the Scioto river to a point 44 feet west of the west line of Morgan street; the alleys west of Mitchell street and Belle street from the north line of Broderick street to the south line of Gay street; Gay street from a line 25.0 feet west of and parallel to the back of the retaining wall on the west bank of the Scioto river to the west line of the alley west of Belle street; the alley extending north from Gay street west of Belle street extended; the alley north of Gay street and parallel thereto, be and they are hereby vacated.

Sec. 2. That the city reserves the right to operate and maintain such sewers, water mains and other public utilities now existing on or in said streets and alleys as may be necessary, provided that in the case of abandonment, relocation or conversion of any such sewers, water mains and other public utilities the board of trustees of Franklin county Veterans Memorial shall enter into proper agreements with the city of Columbus, Ohio, whereby the terms and conditions of such abandonments, relocations or conversions shall be defined.

Sec. 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
