

of private property lying east thereof, and

Whereas, the owners are desirous of filling the said drainage ditches thus making the properties available for the construction of proposed buildings, and

Whereas, in order to fulfill an obligation, which exists to maintain drainage outlets, the owners propose to abandon minor portions of existing city-owned drainage structures, to relocate portions of the ditches and to build sections of storm sewers outletting into the city storm drainage system at their own cost and expense, and

Whereas, it is proposed to construct said work in easements to be granted to the city of Columbus and in accordance with current city of Columbus standards, and

Whereas, an emergency exists in the daily operation of the department of public service, division of sewerage and drainage, due to the fact that the locations of the existing drainage ditches are such that building operations cannot proceed during the present construction season until after the proposed storm sewers are built and for this reason it is necessary to provide for the said agreements for the immediate preservation of both public peace, property, health and safety; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the director of public service be and he is hereby authorized and directed to enter into agreements with H. R. Linick and the Cussins and Fearn Company, owners of unsubdivided land located in the city of Columbus on the east side of Indianola avenue and north of Oakland Park avenue as recorded respectively in Deed Records, Volume 1739, page 377 and Volume 1666, page 413, Recorder's Office, Franklin County, Ohio, for the construction of private storm sewers in and across the said properties at no cost to the city of Columbus.

Sec. 2. That the design, construction, operation, maintenance, eventual dedication and all other matters arising as a result of the design and construction of said private storm sewers shall be carried out in full accordance with present standards of the city of Columbus and otherwise in accordance with all of the applicable provisions relative to the construction of private sanitary sewers as provided in the city of Columbus Code of 1952.

Sec. 3. That for the reasons stated in the preamble hereto this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed May 25, 1953.

JOSEPH R. JONES,

President of Council.

Approved May 26, 1953.

R. T. OESTREICHER, Mayor.
