Whereas, the council of the city of Columbus has heretofore, by proper legislation, declared the necessity of improving the hereinafter described street by constructing sanitary sewers therein, and

Whereas, the city auditor has issued his certificate as to the estimated life of the improvement proposed to be made from the proceeds hereinafter referred to as exceeding five years and has further certified the maximum maturity of such notes is two years, and

Whereas, an emergency exists in the usual daily operation of the department of public service in that it is necessary to provide funds without delay for said improvements in order that the same may be completed at the earliest possible time to protect the public health, peace and safety; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That it is deemed necessary to issue bonds of the city of Columbus in the principal sum of \$14,100.00, in order to provide funds for the improvement of Deshler Avenue from Fairwood Avenue to the alley east of Miller Avenue (formerly Jennings Avenue) by constructing sanitary sewers therein.
