

said Section prohibits the storage and repair of vending equipment in a Residential District and therefore prevents Olin Haynes from using the existing residential structure for the storage and repair of vending equipment; subject, however, to the additional conditions listed in this Ordinance.

Section 2. That this variance is conditioned upon and shall be in effect only for so long as:

- 1. Said property is owned and used by Olin Haynes for the storage and repair of vending equipment and those uses permitted in an R-2 Residential District.
2. That the use of the existing residential structure for the storage and repair of vending equipment will be reviewed by the Division of Zoning annually for a two-year period.
3. There is no physical expansion of the existing residential structure.
4. No retail operations are conducted on this property.
5. No sign advertising the vending business is established on this property.
6. Not to exceed two parking spaces are provided at the rear of the existing structure, with access being provided along the western side of the property.
7. The use of the existing residential structure for the storage and repair of vending equipment permitted herein does not disturb or unreasonably interfere with the residential nature of their neighborhood.
8. The facility for the storage and repair of vending equipment has been commenced within one year from the date which this Ordinance becomes effective.
9. No interior structural alterations are to be made to the premises, nor are kitchen facilities to be removed from the premises.

Section 3. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed as amended May 15, 1972.
M. D. PORTMAN, President of Council.
Approved as amended May 15, 1972.
