AN ORDINANCE No. 707-59 — To authorize and direct the Director of Public Service to enter into contract on behalf of the city of Columbus, with the City of Upper Arlington, Ohio, to provide for the discharge of sewage, industrial wastes, water or other liquids from the City of Upper Arlington, Ohio, into, and the transportation, pumping and treatment of the same, by the Sewerage System and Sewage Treatment Works of the city of Columbus, Ohio, as hereinafter provided.

Be it ordained by the council of the city of Columbus:

Section 1. That the Director of the Department of Public Service be and he is hereby authorized and directed to execute an agreement with the City of Upper Arlington, Ohio, as follows:

AGREEMENT
To provide for the discharge of sewage, industrial wastes, water or other liquid wastes from the City of Upper Arlington, Ohio, into, and the transportation, pumping and treatment of the same, by the Sewerage System and Sewage Treatment Works of the city of Columbus, Ohio, as hereinafter provided.

Whereas, the said City of Upper Arlington, Ohio, desires that all sewage, industrial wastes, water or other liquid wastes, which are collected in its sanitary sewers, be discharged into and transported, pumped and treated by the Sewerage System and Sewage Treatment Works of the said city of Columbus, Ohio; and

Whereas, the Council of the said city of Columbus, did, by Ordinance No. 926-54, passed June 28, 1954, and by Ordinance No. _____, passed _____, authorize and direct the Director of Public Service of the said city of Columbus to enter into agreements providing such sewerage service to areas located outside the corporate limits of the city of Columbus, Ohio, and did, in said ordinances, establish the terms and conditions of such agreements; now, therefore,

THIS AGREEMENT MADE AND ENTERED INTO THIS DAY OF _____, 1959, by and between the CITY OF COLUMBUS, OHIO, Party of the First Part, and the CITY OF UPPER ARLINGTON, OHIO, Party of the Second Part, providing for the discharge of sewage, industrial wastes, water or other liquid wastes from the said City of Upper Arlington, Ohio, into and for the transportation, pumping and treatment of said sewage, industrial wastes, water or other liquid wastes, by the Sewerage System and Sewage Treatment Works of the said city of Columbus, Ohio,

WITNESSETH:
In consideration of the mutual covenants and promises herein contained, and in accordance with the provisions of Ordinance No. 926-54, passed by the Council of the city of Columbus, Ohio, on June 28, 1954, and Ordinance No. _____, passed by the same Council on _____, copies of which Ordinances are attached hereto and hereby made a part hereof, the parties hereto agree as follows:

1. That, subject at all times to the provisions of Article XVIII, Section 6, of the Constitution of Ohio, the

City of Upper Arlington, Ohio, shall have the right and obligation, under the applicable provisions of the aforesaid ordinances, throughout the effective period of this Agreement, to discharge all sewage, industrial wastes, water or other liquid wastes from its sanitary sewers, either directly or indirectly, or both into the Sewerage System of the city of Columbus, and to have the same transported, pumped and treated by the Sewerage System and Sewage Treatment Works of the city of Columbus, provided, however,

(a) That the City of Upper Arlington, Ohio, shall have adopted or passed such measures as may be necessary to authorize the execution of this agreement, and to cause compliance with Section 8 of said Ordinance No. 926-54.

(b) That whenever and to the extent that the code of the City of Columbus prohibits or restricts the direct or indirect discharge to the sanitary sewers of subsoil drains from premises within the city of Columbus, such prohibition or restriction shall apply with equal force to premises within the City of Upper Arlington as if the same were a part of this agreement. The provisions of this paragraph shall not apply to any such subsoil drains in existence prior to the effective date of such legislation by the city of Columbus.

(c) That no storm water or roof water leader shall at any time be led into or connected with the separate, or sanitary system of sewers, or led into or connected with any soil pipe, house drain, or house sewer tributary to the separate or sanitary system of sewers.

(d) That it shall be unlawful for any person to discharge, or cause or permit to be discharged into any sewer or into any water course, ditch or drain leading into any sewer, any acid, chemical or other substance, or any trade waste containing any acid, chemical or other substance, which tends to or does destroy or in any way injures the sewer or which in any way interferes with the proper treatment or disposition of any sewage carried or drained through any sewer in the City.

(e) That it shall be unlawful for any person to discharge, or permit to be discharged into any sewer, any kerosene, gasoline, benzine, naphtha or any explosive or inflammable chemical, substance or thing.

(f) That the requirements set forth in paragraphs (c), (d) and (e) above, together with any elaboration, extension, definition or amendment of said requirements as such may be duly elaborated, extended, defined or amended through rules and regulations issued from time to time by the Director of Public Service, or by legislative processes of the Council of the city of Columbus, Ohio, shall all apply to all premises in the City of Upper Arlington, Ohio, which are tributary directly or indirectly to the Sewerage System of the city of Columbus, to the same extent and degree as they apply within the city of Columbus and any violation of these provisions shall be corrected or caused to be corrected at once by the said City of Upper Arlington, Ohio.

(g) That the said City of Upper Arlington shall prohibit the discharge of sewage, industrial wastes, water or other liquid wastes into its sanitary sewers from any area outside the present corporation limits of the said City of Upper Arlington as these limits exist on the date of execution of this agreement, except that it may grant such right of discharge to any premises located within that portion of the presently existing limits of Perry Township, lying south of a line
