RESOLUTION

A resolution to amend Part Seven, Article 23, Columbus Public Health Laws, 1959, Vehicular Food Establishments—Sale of Food from Vehicles, and to repeal said section as adopted September 16, 1954, by the Board of Health of the City of Columbus, Ohio.

Whereas, the present Article 23 of the Columbus Public Health Laws restricts the operation of Vehicular Food Establishments but does not provide standards for their operations; and,

Whereas, it is in the best interests of the citizens of Columbus for the protection of the public health to promulgate such regulations; now, therefore,

Be it resolved by the Board of Health of the city of Columbus, Ohio:

Section 1. That the Columbus Public Health Laws of 1959, Part Seven, Article 23, Vehicular Food Establishments, be and the same is hereby amended to read as follows:

"Section 1. Sale of food from vehicles.

Any food or drink sold from a vehicle shall be in the original container or packaged in a sanitary manner and shall be prepared and processed under inspection of the Columbus Department of Health with the exception of fruit and vegetables in their native state. No food or drink shall be prepared, processed or packaged in the vehicle or dispensed from the vehicle unless all the requirements of this article are met.

"Sec. 2. Walls, floors and ceilings. The walls, floors and ceilings of the vehicular food establishment shall be of smooth, light colored, easily cleanable material and shall be kept clean.

"Sec. 3. Doors and openings.

The vehicle shall be of tight construction, with a tight fitting door and pass-out opening. The door and pass-out opening must be kept closed when not in use.

"Sec. 4. Lighting. The vehicle shall be provided with natural or artificial lighting that will provide at least twenty (20) foot candle power of illumination on all working surfaces while they are in use.

"Sec. 5. Handwashing facilities. Adequate handwashing facilities shall be provided, including hot and cold running water, soap and approved hand drying facilities. Handwashing facilities shall be kept clean and shall not be used for any other purpose.

"Sec. 6. Cleaning and sanitizing of equipment and utensils.

An approved sink with hot and cold running water shall be provided for washing equipment and utensils. All such containers and equipment shall be thoroughly cleaned and sanitized after each usage.

"Sec. 7. Water Supply. The water supply shall be easily accessible, adequate, and shall be of safe, sanitary quality.

"a. Storage tanks holding the water supply of the vehicle shall be adequate in size to provide for the needs of the operation conducted and shall be of smooth, non-corrosive, non-toxic, easily cleanable material. The inlet opening in the water storage tank shall have a tight fitting seal, cap or cover that shall be protected by a dust proof device when not receiving water. The water tanks shall be kept clean.

"b. Vehicle water storage tanks shall be filled in a sanitary manner at the commissary where the vehicle is based or at another pre-designated approved source.

"c. The water shall be conducted from the approved source to the water storage tanks by one of the following means:

"(1) The use of a hose of an approved type, properly protected from contamination when not in use, is permissible. It is recommended that the hose be fitted with approved covers for the hydrant and nozzle ends to be used when the hose is stored. The hose shall be kept clean and stored in an approved manner. The hose shall be flushed with water after connecting it to the supply hydrant and before filling the vehicle storage tanks.

"(2) Buckets of approved design may be used for filling the vehicle water storage tanks. The buckets shall be constructed of smooth, easily cleanable material and shall be kept clean. They shall have overlapping lids and spouts that are hinged to the bucket. The spout shall terminate either horizontally or downward from the bucket. If the buckets are constructed of stainless steel, monel metal or other bright non-corrosive material they shall be labeled 'For Potable Water Only.' Buckets constructed of other material shall be painted white on the exterior surfaces before labeling. Storage cabinets shall be provided at the commissary for the buckets used for potable water. These cabinets shall be of approved construction and shall be conspicuously labeled 'For Potable Water Only.'

"Sec. 8. Utensils and equipment. All multi-use utensils and equipment shall be constructed of smooth, easily cleanable material. They shall be kept clean and in good repair. All single service utensils and equipment shall be stored and handled in an approved manner. Single service equipment shall be used only once.

"Sec. 9. Vehicles. The Vehicle shall be kept clean and free from dust, dirt, insects and other contaminating material.

"Sec. 10. Waste storage and disposal. The waste water from the handwashing facility and the utility sink shall be contained in an approved receptacle which shall be emptied and cleaned at the end of each day's operation, or oftener if necessary. The liquid wastes shall be disposed of in a manner approved by the Columbus Department of Health. All refuse shall be stored in approved containers. These containers shall be emptied and cleaned at the end of each day's operation, or oftener if necessary. The refuse shall be disposed of according to the Columbus City Code.

"Sec. 11. Refrigerators and freezers. All refrigerators and freezers shall be of approved construction and shall be kept clean and in good repair.

"Sec. 12. Display and serving of food. All food and beverages shall be displayed and served in a sanitary manner approved by the Health Commissioner.

"Sec. 13. Employee cleanliness.

All employees of a vehicular food establishment shall wear clean garments and shall keep their persons clean at all times while engaged in the handling, preparation or serving of food. Employees shall not use tobacco in any form while handling, preparing or serving food.

"Sec. 14. Commissary. The commissary where the food or drink is prepared, handled, served or sold shall meet all the pertinent requirements of the Regulations Governing Food Establishments of the Columbus Department of Health and the ordinances of the City of Columbus, Ohio.

"Sec. 15. Lists and routes of vehicles.

The owner or operator of a commissary and/or the owner and operator of vehicular Food Establishments operating therefrom shall furnish the Health Commissioner with a list of all such vehicles operated or supplied and a schedule of their routes giving the location and time of day the vehicle can be found in a given location. The Health Commissioner shall be notified immediately of any change in the above schedules of routes."

Sec. 2. That original Article 23 of Part Seven, Columbus Public Health Laws, 1959, as enacted September 16, 1954, be and the same is hereby repealed.

Sec. 3. That this Regulation shall take effect and be in force from and after its adoption by the Board of Health of the City of Columbus, Ohio.

Adopted June 29, 1960.
