

Highway Administration, and any additions, amendments and revisions thereto.

Section 4. - General It is understood that the work herein contemplated affects a segment of the City utility facilities and that the relocation of the water lines and sanitary sewer facilities now located on property under the jurisdiction of the City is to be financed from funds provided by the State. The State expects that the Federal Highway Administration will reimburse the State for a share of such costs.

All municipally-owned utility facilities within the new highway right-of-way shall be maintained without cost to the State.

In Witness Whereof, the parties hereto have caused this agreement to be duly executed in duplicate as of the day and year first above written.
