To authorize the Columbus Urban Redevelopment Authority to make application on behalf of the City of Columbus for \$27,000 as supplementary to the preliminary advance contract with the Housing and Home Finance Administrator under Title 1 of the Housing Act 1949, to authorize said Authority to act as agents for the City of Columbus for such purposes.

Whereas, it is necessary and in the public interest that the City of Columbus avail itself of the financial assistance provided by Title 1 of the Housing Act of 1949 to assist local slum clearance and urban redevelopment projects; and

Whereas, it is necessary that surveys be made and other activities be performed preparatory to undertaking such projects; and

Whereas, it is recognized that Title 1 of the Housing Act of 1949 requires that contracts for financial assistance thereunder impose certain obligations and responsibilities upon local public agencies availing themselves of such financial assistance, including among other things: (1) the approval of the redevelopment plan by the governing body of the locality in which the project is situated, with appropriate findings (a) that financial aid by the Federal Government is necessary, (b) that the redevelopment plans for the redevelopment areas in the locality will afford maximum opportunity, consistent with the sound needs of the locality as a whole, for the redevelopment of such areas by private enterprise, and (c) that the redevelopment plan conforms to a general plan for the development of the locality as a whole; (2) the provision of local grants-in-aid; (3) the development of a feasible method for the relocation of families displaced from the project area; and (4) the several other local obligations and responsibilities that are imposed pursuant to Title 1 of the Housing Act of 1949 in connection with the undertaking and carrying out of slum clearance and urban redevelopment projects; and

Whereas, pursuant to Title 1 every contract for a Federal capital grant will require local grants-in-aid in connection with the project which, together with the local grants-in-aid to be provided in connection with all other projects of the local public agency on which contracts for Federal capital grants have been made, will be at least equal to one-third of the aggregate net project costs involved in such projects; and

Whereas, such local grants-in-aid may be provided by a state, municipality or other public body, or by any other entity, and may consist of donations of cash, land, demolition or removal work, and streets, utilities, or other site improvements, and the provision of parks, playgrounds, and other public buildings or facilities which (1) are primarily of direct benefit to the project and are necessary to serve or support the new uses of land in the project area or (2) are of direct and substantial benefit both to the project and to other areas in the community.

Now, therefore, be it resolved by the council of the city of Columbus:

Section 1. That the financial assistance provided by Title 1 of the Housing Act of 1949 to assist local slum clearance and urban redevelopment projects is necessary; and

Section 2. That it is fully cognizant of the foregoing obligations and responsibilities that are imposed under contracts for financial assistance pursuant to Title 1 and it is the sense of this body that such obligations and responsibilities can and will be fulfilled; and

Section 3. That the filing of an ap-
