public service entered into contract with Max J. Zeller, incorporated, for repair and improvement of approximately 116,000 square yards of brick street pavements by surfacing pavements on certain designated streets between the points named with between the aggregate, and areas, during the course of the improvement of such repairs and improvements. It was noted that in preparing contract documents, portions of streets were inadvertently omitted from the list of streets to be so repaired and improved, and

Whereas, it was ascertained that the quantities of materials being used in repair and improvement work would be less than the estimated amounts and that sufficient monies would be available on said contract to make the four streets so omitted, the director of public service through the chief engineer directed the contractor to proceed with the repair and improvement of all of the streets and upon completion of all of the work provided for in the contract including said four streets, it has been determined that the final cost of the work is \$2,516.60 less than the amount allocated in said contract, and

Whereas, an emergency exists in the normal daily operation in the department of public service, division of engineering and construction, in that it is immediately necessary to ratify and confirm the action of said director of public service through the chief engineer in order to preserve the peace, propriety and credit of the city of Columbus; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the action of the director of public service through the chief engineer of the division of engineering and construction in directing the contractor, Max J. Zeller, incorporated, on contract No. 2917, dated August 19, 1952, for the repair and improvement of certain designated streets by surfacing the existing pavements with an application of bituminous treated aggregate, to include in said contractor's operations the repair and improvement of Doris avenue from Weber road to Pacemont road, Milton avenue from Lakeview avenue to Como avenue, Rosemary parkway from Henderson road to Dominion boulevard and California avenue from High street to Doris avenue, be and the same is hereby ratified and confirmed.

Sec. 2. That upon receipt of voucher properly executed by the director of public service, the city auditor be and he is hereby authorized and directed to draw his warrant upon the city treasurer in the full amount of said voucher which shall include the cost of repair and improvement of portions of said four streets hereinabove designated.

Sec. 3. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

Passed October 6, 1952.

R. T. OESTREICHER,

President of Council.

AGNES BROWN CAIN, City Clerk.

Whereas, council, upon hearing, is satisfied that there is good cause for such vacation as prayed for in said petition, that it will not be detrimental to the general interests and ought to be made; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That Granden road, from the north line of lot No. 237 of Indian Springs addition south to the south line of lot No. 241 of Indian Springs addition, be and the same is hereby vacated.

Sec. 2. That the city of Columbus reserves the right to operate and maintain any and all sewers, water lines and other public utilities owned by the said city, and that the right is reserved to operate and maintain any and all other public utilities, if any, now existing on or in said street so vacated.

Sec. 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

AN ORDINANCE No. 900-52—To authorize the extension of Contract No. 2650 with the Diamond Alkali Company for soda ash, and to appropriate the funds to pay the cost thereof.

Whereas, due to excessive water consumption the amount of soda ash used in water purification at both the Main Plant and Nelson Road plant has been extremely high; and

Whereas, an emergency exists in the usual daily operation of the Division of Water, Department of Public Service, in that an additional appropriation is immediately necessary to cover the cost of additional soda ash for purification of the City water supply in order to protect public health, peace, property and safety; now, therefore,

Be it ordained by the council of the city of Columbus:

Section 1. That the Board of Purchase be and it is hereby authorized and directed to extend Contract No. 2650 with the Diamond Alkali Company for fur-

nishing soda ash and to provide such additional funds as may be necessary.

Sec. 2. That the sum of \$10,000 or as much thereof as may be needed be and the same is hereby appropriated from Water Works Fund No. 90, Code B.

Sec. 3. That for the reasons stated in the preamble hereto which is hereby made a part hereof this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the mayor.

AN ORDINANCE No. 902-52—To ratify and confirm the action of the Assistant Superintendent of the Division of Water, Department of Public Service, in authorizing an agreement with the U. S. Stoneware Co., Akron, Ohio, for material furnished and work performed at the main purification plant, Division of Water, Department of Public Service, and to appropriate the money to pay the cost thereof.

Whereas, in order to assure efficient operation of the water purification plant it was immediately necessary to install valve seats and plugs in the No. 1 alum tank, at the purification plant; and

Whereas, the U. S. Stoneware Co. was the only source of supply capable of furnishing the necessary material and labor to replace these valve seats and plugs; and

Whereas, it was originally contemplated that the cost of replacing the valve seats and plugs would be less than five hundred dollars (\$500.00) and could be done on the basis of an encumbrance; and

Whereas, during the process of installing the valve seats and plugs it was found to be necessary that approximately half of the acid resisting
