**ORD. No. 974-87**—To permit an existing structure to encroach upon the right-of-way of the southeast corner of Wall Street and W. Frankfort Street, and to declare an emergency.

Whereas, Ned Merkle has submitted a request for subject encroachment upon the right-of-way of the southeast corner of Wall Street and W. Frankfort Street; and

Whereas, the proposed encroachment does not interfere with the use of those rights-of-way for street purposes, therefore the encroachment should be permitted; and

Whereas, an emergency exists in the usual daily operation of the Department of Public Service, Division of Engineering and Construction, in that it is necessary to immediately grant such encroachment upon the public right-of-way of the southeast corner of Wall Street and W. Frankfort Street, in order to clear title to an existing structure, for the immediate preservation of the public health, peace, property and safety; now, therefore,

Be it ordained by the Council of the City of Columbus:

**Section 1.** That the owner of the structure located at the southeast corner of Wall Street and W. Frankfort Street, their successors and assigns, be and is hereby granted the right and privilege to occupy a portion of the right-of-way of Wall Street and W. Frankfort Street and bounded and described as follows:

To grant an encroachment into the right-of-way, bounding Lot #33, C. F. Jaeger's 3rd Addition, the southeast corner of Wall Street and W. Frankfort Street and being 0.20 feet into Wall Street for a length of 62.60 ft. and 0.20 ft. in W. Frankfort Street starting at said southeast corner and terminating 17.0 ft. easterly therefrom.

Subject to the following conditions:

(1) That the owner of the structure, its successors and assigns, shall save the City harmless from any and all damages which may arise from or grow out of the encroachment of this portion of the right-of-way of Wall Street and W. Frankfort Street; and said owner, its successors and assigns, shall defend, at its own cost, every suit in which the City of Columbus, Ohio, shall be made a party, brought and prosecuted for the recovery of any such damages;

(2) That the occupancy of the right-of-way herein permitted is merely as an accommo-

dation to the said grantee, and that no right, title or interest of the public is waived or abridged in any way thereby; such permission to use and occupy said portion of Wall Street and W. Frankfort Street, upon which this structure encroaches, is being granted until such time as said structure may be razed or removed therefrom.

**Section 2.** That in the event that changes in utility facilities become necessary because of the encroachment of this structure, said owner, its successors and assigns, shall pay the entire cost of any necessary changes, relocations and rearrangement thereof.

**Section 3.** That this ordinance is conditioned upon the filing by said owner, with the Clerk of this Council, his acceptance, in writing, of each and all the terms, provisions and requirements of this ordinance, and the payment of the cost of publication thereof; provided, however, that if said grantee shall fail to accept the terms and conditions within thirty days after passage thereof, the same then be void and of no force or effect.

**Section 4.** That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
