The undersigned hereby certifies to Centex Homes, First American Title Insurance Company and Columbus Title Agency Inc. as of December 30, 1996 that this survey was actually made upon the ground; that it and the information, courses and distances shown thereon are accurate; that the title lines and the lines of actual possession are the same; that the property description "closes" by engineering calculation; that there are no easements or uses affecting the property appearing from a careful physical inspection of the same, other than those shown hereon; that all utility services necessary for the operation of the property are present on the property of within adjacent public right-of-way or recorded easement; that there are no encroachments on adjoining premises, streets or alleys by any of said buildings, structures or other improvements or encroachments upon the property by any building, structure or other improvement situated on adjoining premises. The property lies in Flood Zone X (areas determined to be outside 500 Year Flood Plain) as defined by the Federal Emergency Management Agency Flood Insurance Rate Map #39049C0210G. The survey was made in accordance with the "Minimum Standard Detail Requirements for Land Title Surveys" jointly established by ALTA and ACSM in 1992.
