

I hereby certify to the Huntington National Bank that the survey prepared by me was actually made upon the ground and that it and the information, courses, and distances shown thereon are correct, that the title lines and lines of actual possession are the same, that the size, location and type of buildings are as shown and are within the boundary lines of the property, and that there are no easements, building encroachments or uses affecting this property appearing from a careful physical inspection of the same, other than those shown and depicted thereon. This survey is made in accordance with the "Minimum Standard Detail Requirements for Land Title Surveys" jointly established and adopted by American Land Title Association and American Congress on Surveying and Mapping in 1986 and that the parcel described hereon does not lie within flood hazard areas in accordance with any maps entitled: "Flood Insurance Rate Map," "Flood Hazard Floodway Boundary Map," or "Flood Boundary and Floodway Map" published by the Federal Emergency Management Agency or a Flood Hazard Boundary Map published by the U.S. Department of Housing and Urban Development.
