BASIS OF BEARINGS:
The bearings shown on this survey are based on the Ohio State Plane Coordinate System, South Zone, NAD83 (1986). Said bearings originated from a field traverse which was referenced to said coordinate system by GPS observations and observations of selected Franklin County Engineering Department monuments WEST 17 AND FRANK 85. The portion of the centerline of South State Street (State Route 3), having a bearing of North 15° 39' 44" West as shown hereon, is designated the "basis of bearing" for this survey.

SURVEY NOTE:
This survey was prepared using documents of record, prior plats of survey, and observed evidence located by an actual field survey by EMH&T, Inc. during September, 2009.
