BASIS OF BEARINGS:

The bearings shown on this survey are based on the Ohio State Plane Coordinate System, South Zone, NAD83 (1986). Said bearings originated from a field traverse which was referenced to said coordinate system by GPS observations and observations of selected Franklin County Engineering Department monuments FCGS 5539, FCGS 5548, FCGS 0024, JACKSON, and JACKSON AZIMUTH. The portion of the centerline of Orders Road having a bearing of North 86° 59' 34" West is designated the "basis of bearing" for this survey.

SURVEY NOTE:

This survey was prepared using documents of record, prior plats of survey, and observed evidence located by an actual field survey from February, 2011 through October, 2013.
