- Mag Nail Set
- (DXP) Deed or Plat
- (M) Measured Value

BASIS OF BEARINGS

The bearings shown on this plat are based on the Ohio State Plane Coordinate System, South Zone, NAD83 (CORS96). Said bearings originated from a field traverse which was referenced to said coordinate system by GPS observations and observations of selected stations in the Ohio Department of Transportation Virtual Reference Station network. The north right of way line of Warren St has an assumed bearing of $N86^{\circ}34'17''W$ and is designated as "basis of bearing" for this plat.

Field survey was conducted from 10/2015 through 05/2017.

All monuments found are in good condition unless otherwise noted.

We hereby certify that the foregoing Boundary Survey was prepared from actual field measurements in accordance with Chapter 4733-37 Ohio Administrative Code.

All iron pins set are 5/8" rebar, 30" in length with yellow plastic cap with "EP FERRIS SURVEYOR 8342" inscribed on top.
