To the Hon. Board of County Commissioners, Franklin County, Ohio.

Gentlemen: As directed by your Board on July 7, 1924, I hereby submit a plat showing the location of  
Glendale Avenue in Croughton, Denmead and Pope's Grandview Suvdivision in Franklin Township.

I would recommend that the prayer of the petitioners be granted and that the street be vacated  
for the following reasons, viz:

The property throughout the street on each side has been acquired by the Concrete Material Co-  
mpany, who have excavated, or are in process of excavation, same to considerable depth for the gravel and  
sand thereon. The Street if maintained would be hazardous to the public, travel being elevated to a  
height of from 40 to 60 feet above the excavated portion on either side. There has never been a crossing  
provided over the P. C. C. & St. L. Railway at this Street, there being one maintained at Grandview Aven-  
ue, located about 350 feet west.

Respectfully submitted,

R. S. Blackford,  
Deputy County Surveyor.
