Subject: Proposed widening of Pontius Road.  
Land sought to be appropriated.

Hon. Board of County Commissioners, Franklin County, Ohio.

Gentlemen: Pursuant to your order of May 7, 1937, I have made a survey and plat which is submitted herewith, showing the proposed widening of Pontius Road, in Madison Township, Franklin County, Ohio, from a forty foot width to a sixty foot width, together with a list of the property owners along the said road and the land to be taken.

The existing roadway width is deemed insufficient to permit the establishment of a proper roadway section for a permanent improvement. I am of the opinion that the proposed widening of the road will be of general public welfare and convenience, and therefore recommend the proposed widening as shown on the accompanying plat. Respectfully submitted, Allan C. Slade, County Engineer.
