

THE COL. B. B. MFG. CO. 76473

Livingston Avenue - widening from Brice Road to Lancaster Avenue

ROW = 60'

March 11, 1939

Mr. Schneider offered the following preamble and resolution and moved the adoption of the same, which was duly seconded by Mr. Vigor.

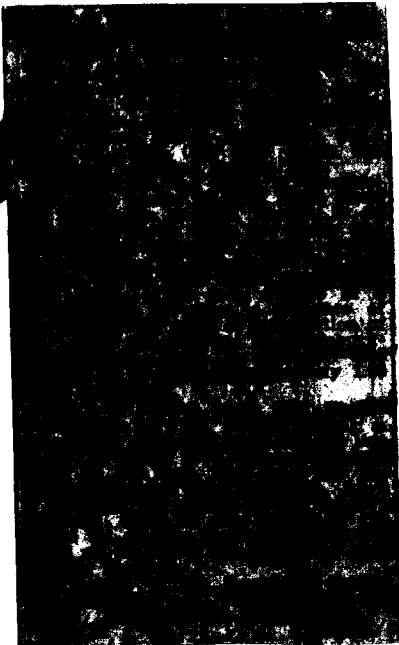

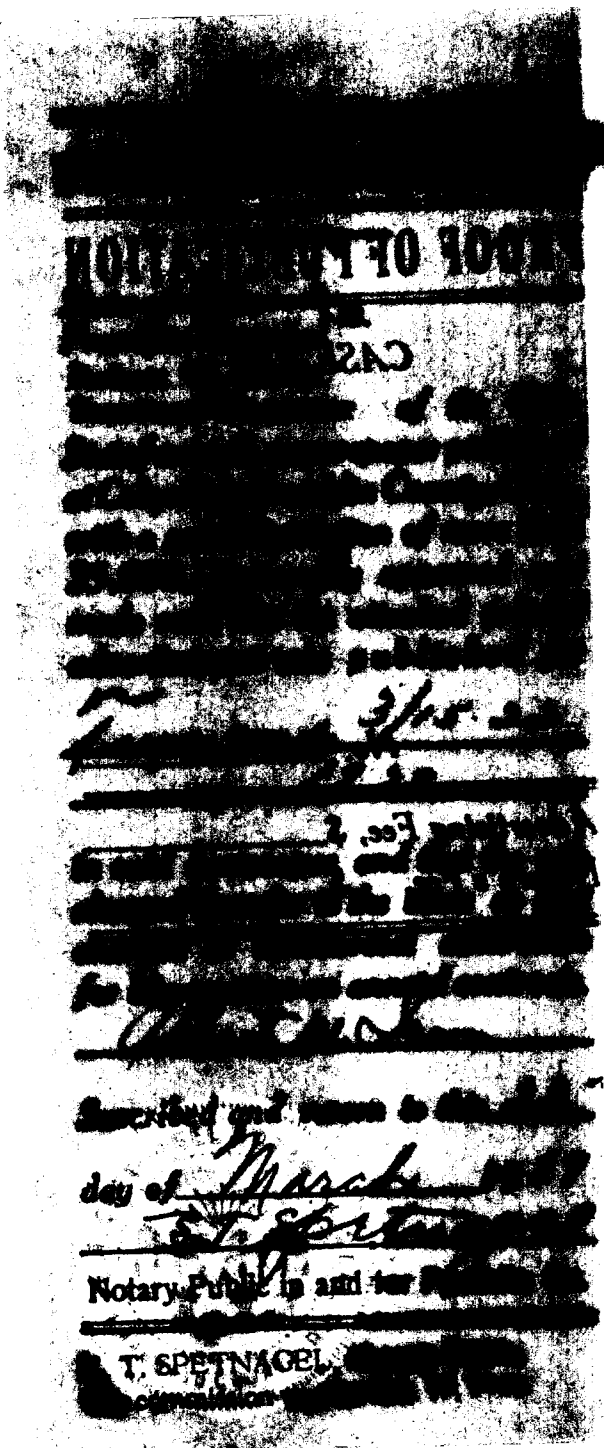

WHEREAS, Section 6862 General Code of Ohio, provides that when the Board of County Commissioners is of the opinion that it will be for the public convenience and welfare to locate, establish, alter, widen, straighten, vacate or change the direction of a public road, they shall so declare by resolution; therefore

BE IT RESOLVED, By the board of county commissioners of Franklin County, Ohio, all of said board being present and voting thereon and in favor thereof, that they do hereby declare that it is necessary for the public convenience and welfare that proceedings be had and taken to establish, alter and widen Livingston Avenue, Truro Township, to a width of 60 feet along the following described center line:

Beginning at the point of intersection of the center lines of Brice Road and Livingston Avenue, thence in an easterly direction along the center line of Livingston Avenue a distance of 1425 feet to a point in said center line, this portion of the road to be established at a width of 60 feet; thence in a northeasterly direction a distance of 8227 feet to the point of intersection of the center lines of the Reynoldsburg-Baltimore Road (S R No. 256) and Livingston Avenue, approximately 1.59 miles in length; and

BE IT FURTHER RESOLVED, that Thursday, March 30, 1939, at 9:30 o'clock A.M. eastern standard time, on the line of said proposed improvement be and the same is hereby fixed as the time and place for viewing same; and that Saturday, April 8, 1939, at ten o'clock A.M. eastern standard time, at the office of the board of county commissioners of Franklin County, Ohio, be and hereby is fixed as the time and place for final hearing thereon, and that the clerk of the Board be and hereby is directed to cause legal publication thereof to be made in the Ohio State Journal.

Voting Aye thereon: George G Trabue, Chas W Schneider and Harry T Vigor.

March 30 1939

In the matter of the resolution of March 11, 1939, adopted by the Board of County Commissioners for the establishment, alteration and widening of Livingston Avenue, Truro Township, Franklin County, Ohio, Mr. Schneider offered the following preamble and resolution and moved the adoption of the same, which was duly seconded by Mr. Vigor.

WHEREAS, On the 11th day of March, 1939, the board of county commissioners of Franklin County, Ohio, adopted a resolution declaring it necessary to establish, alter and widen Livingston Avenue, Truro Township, Franklin County, Ohio; and

WHEREAS, on the 11th day of March, 1939, said board of county commissioners did fix the 30th day of March, 1939, at 9:30 o'clock A.M. eastern standard time, on the line of said proposed road alteration as the time and place for the viewing thereof, and did further fix the 8th day of April, 1939, at 10 o'clock A.M. eastern standard time, at the office of the board of county commissioners of Franklin County, Ohio, as the time and place for final hearing on said alteration; and

FRANKLIN CO. O., ROAD RECORD No. 16 Estab. Alteration & Widening Livingston Ave

THE COL. B. S. MFG. CO. 78473

WHEREAS, Legal notice by publication in the Ohio State Journal, a newspaper published in and of general circulation in said county was given of the time and place for the viewing of said location and of the final hearing thereon; and

WHEREAS, The Board of County Commissioners of Franklin County, Ohio, did, on the 30th day of March, 1939, the day fixed for the viewing of the said proposed road alteration, meet on the line thereof as described in the petition and heard all the proof offered by parties interested in and affected thereby and other persons competent to testify and did go over and along the line of said proposed road and by actual view of same and the premises along and adjacent thereto, which are to be affected thereby, does find that the alteration of Livingston Avenue is of sufficient importance to require that the engineer of Franklin County, Ohio, be instructed and directed to make a survey and plat thereof; therefore

BE IT RESOLVED, By the board of county commissioners of Franklin County, Ohio, that the engineer of Franklin County, Ohio, be and he hereby is instructed and directed to make a plat and survey of the proposed road widening and alteration; an accurate and detailed description of each tract of land which will be necessary to be taken together with the names of each owner; shall set stakes at the termini of each right of way lines and at all angles between such termini, and at sufficient other points in the right of way lines, so that the bounds of the proposed road widening and alteration may be discernible to property owners and others interested, and make report to the board of county commissioners on or before the 8th day of April, 1939, at ten o'clock A M eastern standard time. Said report shall set forth the opinion of the county engineer either for or against the granting of said improvement, which report, together with the plat and survey of the proposed improvement shall be deposited with the county commissioners.

Voting Aye thereon: George G Trabue, Chas W Schneider and Harry T Vigor.

SUBJECT: Proposed Establishment, Alteration and Widening of Livingston Avenue In Truro Township, Franklin County, Ohio.

April 7, 1939

Hon. Board of County Commissioners, Franklin County, Ohio. Gentlemen: Pursuant to your order of March 30, 1939, I have made a survey and plat, which I hereby submit, of Livingston Avenue in Truro Township, showing the proposed alteration by relocating a portion of said road and establishment of the proposed relocated portion at a right of way width of 60 feet, and the widening of portions of the road from a right of way width of 40 feet to 60 feet, and the establishment of a right of way width of 60 feet of a portion of the road, long in use, but which width has not been definitely established. Said establishment, alteration and widening to be along the following described center lines:

Beginning at a spike at the intersection of the center lines of Brice Road and Livingston Avenue; thence south 84 degrees 27 minutes east a distance of 837.5 feet to a spike; this portion of road to be established at a right of way width of 60 feet; thence in a northeasterly direction along a curve to the left, the radius of which is 1432.69 feet a distance of 589.17 feet to a point; thence north 71 degrees 59 minutes east a distance of 120.74 feet to a point; thence in a northeasterly direction along a curve to the right, the radius of which is 2864.93 feet a distance of 211.67 feet to a point in the present center line of Livingston Ave; this portion of the road to be relocated and established at a right of way width of 60 feet; thence north 76 degrees 13 minutes east a distance of 857.87 feet to a point; this portion of road to be widened to 60 feet; thence in a northeasterly direction along a curve to the left, the radius of which is 1910.08 feet a distance of 288.33 feet to a point; this portion of road to be relocated and established at a width of 60 feet; thence north 67 degrees 34 minutes east, a distance of 600.52 feet to a stone in said center line; thence north 69 degrees 38 minutes east a distance of 1376.7 feet to a spike in said center line; this portion of road to be widened to 60 feet; thence in a northeasterly direction along a curve to the right, the radius of which is 5729.65 feet, a distance of 608.33 feet to a point in the present center line; this portion of road to be relocated and established at a width of 60 feet; thence north 75 degrees 43 minutes east a distance of 357.87 feet to a point in said center line; this portion of road to be widened to 60 feet; thence in a southeasterly direction along a curve to the right, the radius of which is 1432.69 feet a distance of 465.00 feet to a point in said center line; this portion of road to be relocated and established at a width of 60 feet; thence south 85 degrees 41 minutes east a distance of 2085.2 feet to an iron pin at an angle point in said center line; thence south 86 degrees 31 minutes east, a distance of 1254.8 feet to a spike at the intersection of the center lines of Livingston Avenue and Reynoldsburg-Baltimore Road (S R #256) (ICH #461).

I am also submitting a list of the property owners affected by the proposed establishment, alteration and widening and the amount of land to be appropriated. I am of the opinion that the proposed establishment, alteration and widening of said road at a right of way width of 60 feet will be of general public welfare and convenience, and I therefore recommend the said establishment as shown on the accompanying plat. Respectfully submitted. Allan C Slade, County Engineer.
