The improvement of Norton Road required the removal of the commercial building located at 5516 Norton Road owned by Richard A. and Peggy L. Zeuschner.

The Norton Road Project is federally funded and requires relocation assistance under the Uniform Relocation Assistance Program.

The Zeuschner's could not rebuild or find another building to relocate their business and they choose to have Commercial Movers, Inc. move and store the personal property located in the building.

The cost for moving the personal property was \$750.00 and the fee for storage is \$260.00 per month, with a twelve (12) month maximum.

Thank you for your consideration in the above matter.
