

EAST COOKE ROAD RECONSTRUCTION BETWEEN KARL ROAD AND CLEVELAND AVENUE FRA-CR-80-2.67, PID 115411

PUBLIC MEETING

You are invited to a public meeting on 11/30/23 from 5:30-7:00 PM at the North Linden Elementary School, 1718 East Cooke Road Columbus, OH 43224 to learn about this project and provide your input. Residents unable to attend this meeting can obtain the project information and comment form at our website:

<https://www.franklincountyengineer.org/public-meetings/>

PROJECT LOCATION

East Cooke Road from the intersection with Karl Road to Cleveland Avenue.

PROJECT DESCRIPTION

This project will include roadway pavement removal and replacement with the addition of curb and gutter along the entire 1.02 mile corridor. This project includes two 11-foot through lanes, curb and gutter, a ten-foot wide asphalt shared use path along the north side of the road, and a five-foot wide concrete sidewalk along the south side of the road. The project also includes driveway improvements, storm sewer improvements including stormwater management, street lighting, and new pavement markings and traffic signs. The project will require right-of-way acquisition on a small percentage of parcels and utility relocation along the corridor.

MAINTENANCE OF TRAFFIC DURING CONSTRUCTION

Construction will be completed via a partial road closure, with one westbound lane open for approximately eight months, starting in Spring 2026. Eastbound traffic will be detoured using the route shown in the image below.

Access to all properties will be maintained at all times.

Public participation is solicited without regard to race, color, sex, age, national origin or disability.

Disclaimer: The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated 12/14/2020, and executed by FHWA and ODOT.
