

PUBLIC COMMENT INVITATION

AGLER ROAD OVER ALUM CREEK FRA-CR16-1.62 PID 105741

The Franklin County Engineer's Office invites you to share your thoughts regarding our upcoming project in your area. We are rehabilitating the bridge on Agler Road over Alum Creek. Details about the project are below and a few questions for you to answer are on the second page. If you would prefer, you can go to the Franklin County Engineer's website and provide comments: <http://www.franklincountyengineer.org/public-meetings/>

Existing Bridge

- Built in 1980
- Condition Rating: 5
(scale: 9 = best, 0 = worst)
- Has four lanes of traffic
- 5 foot sidewalks on both sides

New Bridge

- 4 lanes of traffic (10-foot wide)
- 13-foot Shared-use path on south side of the bridge
- 5-foot sidewalk on the north side of the bridge

Other project elements

- 10-foot shared-use path between the bridge and Sunbury Road on the south side of Agler Road
- 10-foot shared-use path on the south west side of the bridge will connect to the Alum Creek Trail

Construction Cost Estimate: \$4,855,000

Schedule

- Design Complete: April 2021
- R/W Acquisition: Early 2021
- Construction Start: September 2021

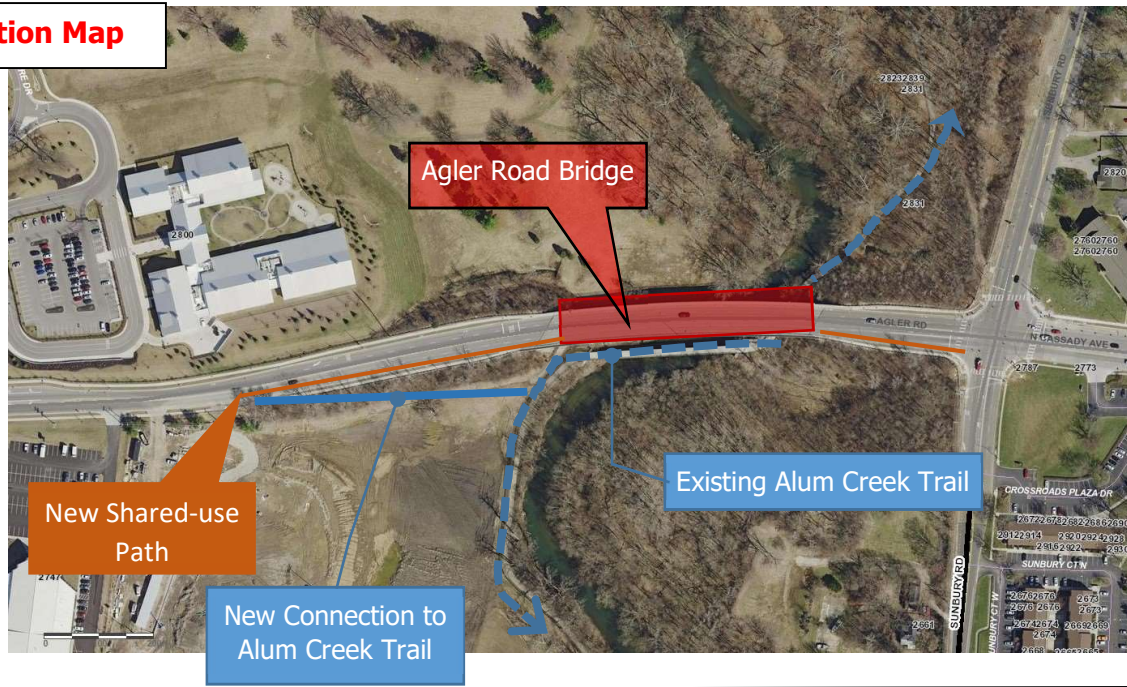

Maintenance of Traffic during Construction

- We are considering a full closure that would be for 5 months starting in March 2022. This would impact vehicular and pedestrian traffic.
- Maintaining vehicular and pedestrian traffic across the structure during construction could add 4 months to the duration. This option is also significantly more expensive.

Project Partners

- City of Columbus
- Ohio Department of Transportation
- Ohio Public Works Commission
- Mid-Ohio Regional Planning Commission
