PROJECT OVERVIEW

The Franklin County Engineer's Office intends to replace the existing bridge just north of Feder Road over Clover Groff Run and increase the length of the south bound left turn lane at the intersection of Alton & Darby Creek Road and Feder Road.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at:
www.franklincountyengineer.org.
Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,
Cornell R. Robertson, P.E., P.S.
Franklin County Engineer
