PROJECT OVERVIEW

This project includes widening Alum Creek Drive from a four-lane roadway to a six-lane roadway. The project will also include the replacement of the existing two bridges over Big Walnut Creek, as well as shoulder widening, lighting improvements, the installation of a 10' wide shared use path on the east side of the roadway, and an 8' wide sidewalk on the west side of the roadway.

The open house style meeting will take place from 5:30pm to 7:30pm. Project personnel will be available during this time to discuss the proposed improvements. Everyone will have the opportunity to express their views. Comment forms will be available at the meeting and on the Franklin County Engineer website at:

www.franklincountyengineer.org/public-meetings

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,
Adam W. Fowler, P.E., P.S.
Franklin County Engineer
