Public participation is solicited without regard to race, color, national origin, age, sex, or disability. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services or sign language interpreters should contact Matt Rehfus.

Franklin County Engineer's Office
970 Dublin Road, Columbus, Ohio 43215
614-525-3030

PROJECT OVERVIEW

This project will construct a single-lane roundabout at the existing 3-way intersection of Clark State Road and Waggoner Road to improve safety and alleviate congestion. This project also includes widening the existing bridge over Swisher Ditch, replacing the storm sewer, intersection lighting, and removing the existing guardrail.

The open house style meeting will take place from 5:30pm to 7:30pm. Project personnel will be available during this time to discuss the proposed improvements. Everyone will have the opportunity to express their views. Comment forms will be available at the meeting and on the Franklin County Engineer website at:

www.franklincountyengineer.org/public-meetings

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,
Adam W. Fowler, P.E., P.S.
Franklin County Engineer
