Project Area Map

Detour

The posted detour route for eastbound motorists on Alkire Road will follow Holt Road south to Big Run South Road and northeast to Alkire Road. Westbound traffic will follow the detour route in the opposite direction.

✦ **Access to Faith Community Church of God will be maintained from the east along Alkire Road.**

Dear Neighbor,

Construction of a roundabout at Alkire Road and Demorest Road is set to begin on Monday, July 6, 2015 and will last through November, weather permitting.

The reconfiguration will include the construction of a single lane roundabout at the intersection of Alkire Road and Demorest Road. Roadway improvements will be limited to the immediate area of the intersection required to construct the roundabout approaches.

The Franklin County Engineer's Office will supervise this \$1.6 million project. Work will be performed by Strawser Paving, Inc. Funding is provided from the Ohio Department of Transportation Safety Funds and Ohio Public Works Commission.

Thank you for your patience and understanding of our efforts to improve the intersection of Alkire Road and Demorest Road.

For updates or additional information, please call our office at (614) 525-3030 or visit our website at: www.franklincountyengineer.org and follow us on Facebook and Twitter.

Sincerely,

Dean C. Ringle, P.E., P.S.
Franklin County Engineer
