24-Hour Road Maintenance: (614) 525-3072

Project Area Map

Detours will occur periodically throughout the different phases of construction.

Please slow down and watch for road workers in the construction area.

Reynard Road Detour: Follow Reynard Road to Paladim Place, north-west to Whitlow Road, south to Quincy Drive, west to Fleet Road, and south to Chatterton Road.

Fontaine Road Detour: Follow Fontaine Road south to Deforest Drive, west and north onto Dunloe Road to Chatterton Road.

Dear Neighbor,

A road improvement project on Chatterton Road at Fontaine Road and Reynard Road is set to begin on April 6, 2015 and will last through the beginning of August, weather permitting. The improvement project includes the widening of Chatterton Road for a center turn lane between Fontaine Road and Reynard Road, new pavement markings, sidewalks, pedestrian crosswalk and signal, curb ramps, and roadway drainage improvements.

The project is divided into phases to allow Chatterton Road to remain open to traffic. During the various project phases, temporary closures will occur on Fontaine Road and Reynard Road, which will detour traffic for those side streets.

The Franklin County Engineer's Office will supervise this \$752,000 project. Work will be performed by Strawser Paving, Inc. Funding is provided from the Ohio Public Works Commission, Franklin County License Plate Fees and the City of Columbus.

Thank you for your patience and understanding of our efforts to improve Chatterton Road at Fontaine Road and Reynard Road.

For updates or additional information, please call our office at (614) 525-3030 or visit our website at: www.franklincountyengineer.org and follow us on facebook and twitter.

Sincerely,

Dean C. Ringle, P.E., P.S.
