PROJECT OVERVIEW

The Franklin County Engineer's Office intends to perform a complete bridge replacement of the existing Eiterman Road 0.75 structure along with other incidentals to complete the project in Franklin County, Ohio. The existing footprint will be expanded to accommodate the future build-out of the City of Dublin's thoroughfare plan.

The meeting will start at 5:30 p.m. with a brief presentation to begin at 5:45 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer's website at: ***www.franklincountyengineer.org***.

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,
Cornell R. Robertson, P.E., P.S.
Franklin County Engineer
