The Honorable Pete Buttigieg  
Secretary of Transportation  
U.S. Department of Transportation  
1200 New Jersey Avenue, S.E.  
Washington, D.C. 20590

RE: Alum Creek Drive Widening (State Route 317 to Groveport Road)

Dear Secretary Buttigieg:

We are pleased to provide this letter of support for the Franklin County Engineer's federal funding application on the Alum Creek Drive Widening (State Route 317 to Groveport Road) project. This project will improve 2.6 miles of Alum Creek Drive, including a third through lane in each direction to existing Alum Creek Drive. Pedestrian facilities (sidewalk on one side and a shared-use-path on the other) will also be installed. The existing Alum Creek Drive bridges over Big Walnut Creek will be replaced.

Transportation infrastructure drives the economic engine of any region by providing safe and efficient movement of people and goods from place to place. Alum Creek Drive is a principal arterial for both freight and passenger traffic and provides primary access from I-270 to Rickenbacker International Airport and Rail Intermodal, which supports the City of Columbus, Franklin County, the State of Ohio, and beyond. This project will increase the capacity of the roadway and implement complete street facilities to accommodate pedestrians and bicyclists in the corridor.

The additional capacity will allow the existing transit routes to continue playing an essential role in the efficient movement of supply chain materials, will maintain access to existing businesses, including ours and those of our service providers, and support additional development in the region, which in turn will create new employment centers.

If you would like any additional information on how this project will impact our company, please feel free to contact me.

Sincerely,

Lance Radebaugh  
District Manager, Expeditors Columbus
