Franklin County Engineer's Office
970 Dublin Road, Columbus, Ohio 43215
614-525-3030

PROJECT OVERVIEW

The project seeks to improve the roadside drainage along Cosgray Road, south of Rings Road, with a storm sewer system and improve existing Faust Ditch from the storm sewer to Hayden Run Road.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have.

Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at www.franklincountyengineer.org.

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,

Cornell R. Robertson, P.E., P.S.
Franklin County Drainage Engineer
