

# Project Interest Form for Franklin County Engineer Cornell R. Robertson, P.E., P.S.

September 8, 2021

\_\_\_\_\_ would like to express an interest in providing  
(name of firm)

engineering services to Cornell R. Robertson, P.E., P.S., Franklin County Engineer on the following projects. Our preference of projects is as follows ("1" for most preferred project; "7" for least preferred project; leave the project line blank if you are not qualified and/or not interested in the project):

\_\_\_\_\_ **Gender Road 5.39 over Georges Creek:** Develop plans to replace the existing structure that was built in 1975.

\_\_\_\_\_ **Morse Road Corridor Study (US62 to Reynoldsburg-New Albany Road):** Provide preliminary engineering and traffic studies to determine needed improvements along the corridor, identify areas of focus, and provide support for funding applications.

\_\_\_\_\_ **Roadside Hazard Compliance Plan:** Provide engineering and traffic services to develop a plan and recommended countermeasures to remove roadside hazards within the ODOT defined "Clear Zone" throughout Franklin County.

\_\_\_\_\_ **Stormwater Drainage Manual Update:** Provide a review and recommendation of updates to the current manual for compliance with current OEPA regulations.

\_\_\_\_\_ **Leonard Park Drainage Improvement Study:** Provide watershed analysis and potential drainage improvements for this neighborhood at the southeast corner of Agler Road and Stelzer Road.

\_\_\_\_\_ **General Engineering Services:** Contract(s) for "on-call" services to assist the County on roadway, traffic, drainage and other miscellaneous, yet to be determined, tasks.

\_\_\_\_\_ **Construction Inspection Services:** ODOT prequalified Project Inspector to perform daily field engineering and inspection, monitoring and documentation of materials, daily diaries, and documentation of quantities.
