FRANKLIN COUNTY ENGINEER

Hayden Run Road over Scioto River

NOR-CR32-6.74

Bridge deck improvement on Hayden Run Road,
between Dublin Road and Riverside Drive (U.S.33)

Project Completion: November 2023

Project Description

The Franklin County Engineer is rehabilitating the Hayden Run Road Bridge over the Scioto River. This project includes resurfacing of Hayden Run Road, light pole replacement, and lane width reductions to accommodate the addition of a shared-use path on the south side of the roadway.

Existing Bridge

- Built in 1982
- 4 - 12' lanes of traffic (two lanes in each direction)
- 5' sidewalk

New Bridge

- 4 - 11' lanes of traffic (two lanes in each direction)
- 12' shared-use path

Maintenance of Traffic During Construction

Hayden Run Road over the Scioto River, between Dublin Road and Riverside Drive (U.S. 33), will be reduced to two lanes (one lane in each direction). Two-way traffic will be maintained. Access to properties adjacent to the bridge will be maintained.
