**Comments requested by January 12, 2024**

Franklin County Engineer Cornell Robertson, in collaboration with the Ohio Department of Transportation is pleased to announce that a Highway Safety Improvement Program project has been awarded in your area. The Engineer's Office has received federal funding to address pedestrian safety at Cleveland Avenue and Piedmont Road, Dunbar Drive, East Dunedin Road. The Pedestrian Improvement project will address safety by installing mast arm mounted Rectangular Rapid Flashing Beacons and pedestrian refuge islands along with striping and signage. You are invited to our Online Open House. The goal of this virtual event is to give you an opportunity to learn about the project and provide comments to the County. Beginning on December 11, 2023, you can view the online materials at the following website: <https://www.franklincountyengineer.org/public-meetings/>

Your comments, concerns, and feedback are an important part of the project. Please see the attached materials or view them on our website to see how we plan to improve the area around each intersection.

Below you will find information regarding the project funding and schedule.

Project Funding	
Preliminary Engineering - Detailed Design	\$56,140
Construction	\$175,000
Total	\$231,140

Project Schedule	
Design Complete	April 2024
Construction Start	June 2024
Construction End	June 2025

There are several ways for you to provide comments on the project to Franklin County. You can return the comment form online at the link above, submit the comments by email, or mail the comments form to the address at the top of this letter. You can also call 614-525-6158 to provide your comments over the phone or fax them to 614-525-3065. Please submit your comments by **January 12, 2024**. Public participation is solicited without regard to race, color, sex, age, national origin, or disability. Individuals who require special accommodations or translation or interpreter services to participate should contact Mike Andrako at 614-525-6158 no later than 15 calendar days prior to the end of the comment period.

If you provide your contact information when leaving a comment, we will send a letter summarizing the comments received, the County's response, and status update on the project approximately two months after the end of the comment period.

Respectfully,

Cornell R. Robertson, P.E., P.S.  
Franklin County Engineer

Mike Andrako, P.E.  
Mobility Engineer

The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated 12/14/2020, and executed by FHWA and ODOT.
