## **PROJECT OVERVIEW**

The Franklin County Engineer's Office intends to rehabilitate two bridges: over the Scioto River and over Scioto Pointe Drive. The project will also provide a sidewalk on the north side of Trabue Road and a shared use path on the south side.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at:  
***[www.franklincountyengineer.org](http://www.franklincountyengineer.org)***.  
Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,

**Cornell R. Robertson, P.E., P.S.**
