## **PROJECT OVERVIEW**

The Franklin County Engineer's Office intends to rehabilitate the existing bridge deck. A shared use path will be installed on the south side of the bridge and provides additional pedestrian connectivity to the area.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have. Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at: [www.franklincountyengineer.org](http://www.franklincountyengineer.org). Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,  
**Cornell R. Robertson, P.E., P.S.**
