PROJECT OVERVIEW

The project will convert a two-way stop controlled intersection to a single lane modern roundabout. The project will also upgrade the storm sewer system along with street lighting.

The meeting will be held virtually with a formal presentation to begin at 6:00 p.m. Personnel representing the Franklin County Engineer's Office will be available to discuss the proposed improvements and any concerns you may have.

Following the presentation, a question and answer session will be held. Everyone will have the opportunity to express their views. Comment forms will be available on the Franklin County Engineer website at www.franklincountyengineer.org.

Please plan to join us, and thank you for your interest in this proposed project. We look forward to meeting with you.

Sincerely,

Cornell R. Robertson, P.E., P.S.
Franklin County Engineer
